Reviews

Thorough information! Its such a good study. Sure, it is perform, still an amazing and interesting literature. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Evie Emmerich)

HURRY UP AND SLOW DOWN

Oxford University Press. Paperback. Book Condition: new. BRAND NEW, Hurry Up and Slow Down, Layn Marlow, Hare is always raring to go. He races through the day while the ever-patient Tortoise does his best to keep up. Hare, it certainly seems to Tortoise, has boundless energy. So Tortoise has plans for when it is time for Hare to go to bed - a well-deserved rest with a cup of chamomile tea! And, for the first time in the day, it is Tortoise who is in a hurry. He reads speedily, with one eye on his cuppa. But Hare has other ideas. As far as he is concerned, when it's time for his bedtime story from Tortoise, he is no longer in a hurry. In fact he wants to take all the time in the world and linger over every picture. After all, some things just shouldn't be rushed! Toddlers will love this simple story, with its cosy farmland setting and lovable characters. And while adults are reading a story that highlights the differences between the energetic and impetuous Hare and the rather more circumspect Tortoise, they will no doubt smile as they recognise the parallels with their own experiences of childcare!.
