Reviews

Comprehensive guideline for ebook fans. I have read and i am certain that i am going to going to go through yet again yet again down the road. You wont truly feel monotony at whenever you want of your own time (that's what catalogs are for concerning when you check with me).

(Keegan Abernathy)

ENEMY INVASION

Usborne Publishing Ltd. Paperback. Book Condition: new. BRAND NEW, Enemy Invasion, A.G. Taylor, Superpowers and conspiracy collide in this unmissable action-packed sci-fi thriller, sequel to "Meteorite Strike" and "Alien Storm". Sarah and Robert Williams are no ordinary brother and sister. With superhuman powers originating from the mysterious Fall Virus that left thousands of others in a coma, the two are now working with government agency HIDRA and other superhuman kids to find a cure. The powerful alien that first sent the virus to Earth, known only as 'The Entity', is ready to attack again, determined to bring humanity under its control for good. It is being aided by Sarah's arch-enemy, Major Bright, and malicious software expert, Marlon Good, who have their own plans for world domination - but the key to their plans is 14-year-old Hack and his technology-manipulating powers. Before Sarah and her friends can get Hack to safety, Major Bright abducts him and uses his power to create an army of alien spider-robots that will be able to spread the virus across the world. Wave after wave spiders are launched in a lethal attack on London. Can the superhuman team stop the disaster or have they finally met their match? This is the final chapter in the mind-blowing trilogy of mesmerizing heroes, superpowers and non-stop action by critically acclaimed author A.G. Taylor.
