INSTANT GOALS: HOW TO SET GOALS AND ACHIEVE THEM INSTANTLY! (PAPERBACK)

Createspace, United States, 2014. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.The Instant-Series Presents Instant Goals How to Set Goals and Achieve Them Instantly! When you die.what do you want people to remember you by? What do you want to leave with your families and friends? What do you want to be your legacy to the world? Let s be honest, you don t want to be unimportant as just another person who could have done more and live life to the fullest and given back to it. We all have dreams and aspirations we want to accomplish, rather that is to have the big house, fancy cars, huge cash in our bank account, land that dream job, or, more simple things like, send our kids to college. But to achieve anything in life.we must set goals! Goals are your purpose to live for guiding your focus, path to travel leading you where you want to go, and procedure to follow in how to achieve them. They are your map to success. Without setting goals, no matter how much you want to do something, you will lose your way when things get tough and distractions occur, taking you off your destination trail.lost without guidance in the chaotic jungle trying to stay above water in this ever fast-paced world. That s why setting firm solid goals is a must, yet many people don t do it, or do it wrong. Within Instant Goals : The Instant Gratification. How to immediately achieve all the things you want now as your SHORT-TERM goals? The Bigger Fish. How to properly work on bigger, more rewarding LONG-TERM goals without giving up? How to fight distractions, so you don t forget or ever back out..
