

Getting StartED with Windows Live Movie Maker

By James Floyd Kelly

friendsofED. Paperback. Book Condition: New. Paperback. 248 pages. Dimensions: 9.1in. x 7.5in. x 0.9in. Windows Live Movie Maker is a small but powerful movie editing application from Microsoft. It is a complete rewrite of the old Movie Maker software with a new audience in mind. The focus of this new edition is on giving you the power to quickly create movies and slideshows to share with your friends and family. The movies can be a combination of your favorite pictures and home movies set to your own soundtrack. You can add cool effects to transition between scenes, and captions to add a narrative to your movie. With Movie Maker, users can: Edit digital video and photos, including adding music and narration Apply animation effects to videos and photos Create DVDs for personal use, including menu systems for navigation What you'll learn Learn what's new and different with the Live version of Movie Maker; find out where to download it and view an installation walkthrough. Discover the basics of importing pictures and video, how to use AutoMovie and perform some easy tweaks on it, and how to save projects. Experiment with trimming, splitting, and rotating video, fading-in-out, using the View menu to...
