The Shadow Market: How the Global Economy Is Controlled by Wealthy Nations and What Investors Need to Know to Prosper in It (Paperback)

By Eric J Weiner

Scribner Book Company, United States, 2011. Paperback. Book Condition: New. Reprint. 213 x 140 mm. Language: English . Brand New Book. Acclaimed financial journalist Eric J. Weiner reveals how foreign countries and private investors are increasingly controlling the global economy and secretly wresting power from the United States in ways that our government cannot reverse and about which the average American knows nothing. The most potent force in global commerce today is not the Federal Reserve, not the international banks, not the governments of the G7 countries, and certainly not the European Union. Rather, it is the multi-trillion-dollar network of super-rich, secretive, and largely unregulated investment vehicles--foreign sovereign wealth funds, government-run corporations, private equity funds, and hedge funds--that are quietly buying up the world, piece by valuable piece. As Weiner s groundbreaking account shows, the shadow market doesn t have a physical headquarters such as Wall Street. It doesn t have a formal leadership or an index to track or a single zone of exchange. Rather, it comprises an invisible and ever-shifting global nexus where money mixes with geopolitical power, often with great speed and secrecy. Led by cash-flush nations such as China, Kuwait, Abu Dhabi, Singapore, Saudi Arabia, and...
