

A Few Men Faithful (Paperback)

Filesize: 7.65 MB

Reviews

It is one of my personal favorite ebooks. It is probably the most awesome publication I have read through. You won't really feel monotony at anytime of the time (that's what catalogs are for regarding in the event you check with me).

(Juliet Kertzmann)

A FEW MEN FAITHFUL (PAPERBACK)

Createspace, United States, 2009. Paperback. Book Condition: New. Wade Nelligan, Artplus Ltd (illustrator). 212 x 138 mm. Language: English . Brand New Book ***** Print on Demand *****.The first of four Kavanagh stories. It sets the stage, defines the Kavanagh family and tells of a troubled land and an equally troubled romance amid war and treachery. Time span: 1916 to 1924 in Dublin, County Cork and Northern Ireland. Major events: Easter Rising, Secret War, War of Independence, the Civil War. This last is little known and less explored, especially through the eyes of a soldier on the losing side. The main character, Danny Kavanagh, escapes Dublin in 1916 only to become one of the Twelve Apostles, that squad of executioners Michael Collins used to shut the spying eyes in Dublin Castle. As a soldier he is haunted, nearly driven mad, by what he has done, what he cannot do, yet still hold onto that deathless dream of a united Ireland. He pays the price, finally, as an exile and IRA emissary in North America. Anyone interested in high-speed historical fiction will find A Few Men Faithful to their liking.
