Management Books 2000 Ltd, 2000. Paperback. Book Condition: new. BRAND NEW, The Financial Controller: The Things the Academics Don't Teach You, Alasdair Drysdale, A complete professional guide to the increasingly critical area of financial control, packed with sample reports, analysis layouts and real-life examples. The function of Financial Controller has never been more important than today in a time of challenging economic conditions and intense market competition. Written in plain English, the book is intended for use by anyone responsible for financial management, and will be useful for students as well as financial practitioners. Alasdair Drysdale has over 30 years experience on five continents, first as a chartered accountant, and then as a management consultant and interim director specialising in complex project management, financial control and company turnaround. His previous books include *The Report Report* (a guide to writing business reports) also published by Management Books 2000.
