*A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.*

Modern History Press. Paperback. Book Condition: New. Paperback. 108 pages. A thought-provoking excursion to lifes last breathErnest Dempseys second collection of short stories The Blue Fairy takes a subject that has been dreaded for centuries - Death. It is one of the few works of fiction, which neither treats the subject as the D word by bringing in fantasies of afterlife nor compromises the solemnity by trying to evaporate the reality of death in humor. Instead, Dempsey explores the many sides to the subject that make the final departure a meaningful reality of existence. Inspired mostly by real life experiences, Dempseys The Blue Fairy ingeniously integrates dying with living. It is a book for the soul. Acclaim for the writing of Ernest DempseyThere is something about the somberness of his search for moral principles that reminds me of Victorian poets such as Tennyson, Bronte, Kipling, and Hardy writing in the 19th century. Bringing these themes into 21st century views is an interesting task. -Janet Grace Riehl, Village WisdomFollowing clearly in the footsteps of Rod Serling or his distant predecessor, Edgar Allan Poe, comes a fresh new voice in world fiction. Ernest Dempsey conveys the freight of emotion with a twist of irony in his first collection of short stories which address the tender lines between life and death. -Victor R. Volkman, host of Authors AccessAbout the AuthorErnest Dempsey has authored four books and, in just the last few years, seen the publication of his poems, essays, short stories, and literary reviews worldwide.
