Excerpt: .not bloom; if its blossoms are not fertilized; if the male and female element in the plants do not join organisms to bring forth fruit as soon as they are sufficiently developed to do so--then man regrets exceedingly. He has nothing but pity or contempt for any other individual in creation which does not immediately and proudly function in a sexual way. And its sex function is the thing that makes it beautiful in the eyes of man and But man and woman have utterly disassociated themselves from God s plan in Nature. Did you ever see the mother who gave her child the beautiful flower point with pride to the fact that her baby was only her blossom and came into being in the same way, through practically the same organism s fruition? No. And more than no. Thatmother would consider as immoral anyone...
