Brand New Book ***** Print on Demand *****.Nothing ever happens in the small town of Copake Falls, and no one knows that better than sixteen-year-old Eden Day. Her life is a mundane carousel, rotating between caring for her alien obsessed aunt and dealing with her freak status at school. Until two brothers move into town and turn her life completely upside down. Golden boy, Cardelian Foster is the talk of the town, and it seems his sights set on Eden. However, she finds herself drawn to the dark and elusive Jaxson instead. Caught between her fear of what he might be and her attraction to him, Eden makes it her mission to find out exactly who or what Jaxson Foster is. Eden begins to dig for the truth, but the deeper she looks, the more her life seems to be in danger. Everyone around her thinks shes going crazy, and Eden begins to agree until she finds herself pulled into Faeylona world that nightmares are made of. Caught in the center of a dark game, Eden realizes there can only be one winner, and she is the prize.
