Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Juliet Mertz)

ORGANIZATIONAL RHETORIC SITUATIONS AND STRATEGIES

SAGE Publications, Inc. Paperback. Book Condition: New. Paperback. 288 pages. Dimensions: 8.8in. x 6.1in. x 0.8in. An unprecedented text explains how to analyze the role of rhetoric in organizations. Integrating rhetorical theories and methods with principles of organizational communication, this pioneering text provides students with a step-by-step method for analyzing and critiquing examples of organizational rhetoric. The first half of the book offers an accessible introduction to rhetorical research, theory, and criticism and equips students for analyzing the messages of organizations in a variety of contexts. The second half focuses on needs in real-life organizational situations: to create and maintain identity; to manage messages about issues, risk, and crisis; and to communicate with those inside the organization. Contemporary examples and case studies (including a dispute over clean energy in Texas, efforts on the part of restaurant owners in New York to fight food labeling requirements, and a university's announcement that it is building a body farm) illustrate the importance of this area of study and provide opportunities for students to apply their emerging analytical and critical thinking skills. Key Features Grounds the explanation and critique of persuasive organizational messages in traditional and contemporary rhetorical literature Shows students how to critique the messages organizations use to create and maintain organizational power Demonstrates the importance of rhetoric to the success of the organization Uses case studies and accompanying worksheets to help students move through the process of analyzing sample situations and messages Covers image impression management, issue management, crisis management, and other key facets of organizational rhetoric Includes models of the book's method for analysis at the beginning of each chapter to help students visualize how each step fits into the larger system Intended Audience Organizational Rhetoric: Situations and Strategies is ideal for a wide range of courses at This item ships from multiple locations. Your book may...
