Roma's ten-year high school reunion is approaching fast - and she's not ready. She knows it's shallow but she wants to set her old classmates on their ears when the boasting starts. Especially the toxic Ellie, who bullied her in the old days. She has a good job but she needs the whole package if she's going to make that killer entrance - including having a toned body, a great outfit and, most importantly, a mouthwatering guy on her arm. An eventful visit to the gym shows her that she may be able to kill two birds with one stone, as personal trainer Jake Logan turns out to be the perfect eye candy she needs. A course of hard training begins, with Roma keen to impress Kale - but what are his plans? She can't help noticing that he flirts with all his female clients. And there's one particular client who could scupper all Roma's plans - and she's getting far too close to Roma's quarry.
