

Religion and Identity in South Asia and Beyond

By Steven E. Lindquist

Anthem Press, 2011. Hardcover. Book Condition: New. 15.2 x 22.9 cm. "This volume brings together sixteen articles on the religions, literatures and histories of South and Central Asia in tribute to Patrick Olivelle, one of North America's leading Sanskritists and historians of early India. An exceptionally prolific scholar, Olivelle's best-known works include 'Manu's Code of Law (2005), 'The Early Upanisads' (1998) and 'The Āśrama System' (1993). Over the last four decades, the focus of his scholarship has been on the ascetic and legal traditions of India, but his work as both a researcher and a teacher extends beyond early Indian religion and literature. [Title] is a testament to that influence. The contributions in this volume, many by former students of Olivelle, are committed to linguistic and historical rigor, combined with sensitivity to how the study of Asia has been changing over the last few decades. Several of the essays examine the construction of religious and cultural identity (whether among Brahmins, Buddhists, Dalits, or Muslims), while others are concerned particularly with problems of historical reconstruction and textual interpretation."--P [4] of cover. Reviews

Very useful for all group of people. It is amongst the most incredible pdf i actually have read through. Its been written in an extremely straightforward way and it is just right after i finished reading through this pdf by which basically modified me, change the way i think.

-- **Felicia Nikolaus**

These sorts of ebook is the ideal book offered. It can be writter in simple terms rather than confusing. I discovered this pdf from my dad and i advised this publication to understand.
