Createspace, United States, 2015. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.If you are like millions of others worldwide, you at least on occasion suffer from the ill effects of an unhealthy gut. The connection between the gut and all other areas of our bodies and health is almost unbelievable. The unbalance of the bacteria in the gut can lead to a host of health issues including mental conditions, auto immune diseases and painful digestive disorders, just to name a few. Our modern lifestyles have unfortunately put many of us in a position where we are unknowingly doing all of the wrong things to support a healthy gut environment. Too much stress, sugars and saturated fats have caused havoc within our bodies at the very root of our immune system. The gut is considered to be the largest of immune system organs, yet it is often the one that is the most ignored and taken for granted. If you had within your ability the opportunity to restore your gut to the perfect working condition, would you do it? I bet the answer is yes, and now that opportunity is...
