

Duality and Unity of the Brain

By David Ottoson

Springer Jun 2012, 2012. Taschenbuch. Book Condition: Neu. 235x155x27 mm. This item is printed on demand - Print on Demand Neuware - InhaltsangabeSession I Neuroanatomical and Neurochemical Asymmetries of the Brain.- 1. Functional and Neurochemical Asymmetry in the Corpus Striatum.- 2. Laterality in the Neuroendocrine System.- 3. Mechanisms of Brain Asymmetry: New Evidence and Hypotheses.- 4. Asymmetry in the Cerebral Cortex: Development, Estrogen Receptors, Neuron/Glial Ratios, Immune Deficiency and Enrichment/ Overcrowding.- Session II Handedness and Hemispheric Specialization.- 5. Handedness and Cerebral Organization: Data from Clinical and Normal Populations.- 6. Diversities in Right-handers in Left-hemisphere Processing.- 7. Normal Variation in Human Brain Organization: Relation to Handedness, Sex and Cognitive Abilities.- 8. The Evolution of Handedness in Primates.- 9. Spontaneous Drawing in an Unselected Sample of Patients with Unilateral Cerebral Damage.- 10. Extreme Mathematical Talent: A Hormonally Induced Ability .- Session III Emotion, Attention and Arousal.- 11. Disorders of Emotional Behaviour and of Autonomic Arousal Resulting from Unilateral Brain Damage.- 12. Hemisphere Specialization: A Mechanism for Unifying Anterior and Posterior Brain Regions.- 13. Hemispheric Asymmetry and Positive-Negative Affect.- 14. Variations in Arousal Asymmetry: Implications for Face Processing.- 15. Lateralization of Associative Processes: Human Conditioning Studies.- 16. Laterality and Unconscious Processes.- Session IV...

Reviews

Comprehensive information! Its this sort of excellent go through. It is packed with knowledge and wisdom You may like just how the author publish this book.

-- **Mustafa McGlynn**

Complete guideline! Its this kind of great read through. It is probably the most incredible pdf i actually have read through. Its been developed in an extremely straightforward way and it is simply soon after i finished reading this book through which actually modified me, affect the way i really believe.
