A TOUR TO SPA THROUGH THE AUSTRIAN NETHERLANDS, AND FRENCH FLANDERS AND FROM SPA TO DUSSELDORFF, UP THE RHINE . AND THROUH SIC MANHEIM SIC,

RareBooksClub. Paperback. Book Condition: New. This item is printed on demand. Paperback. 102 pages. LC Number: KF27 . E347 2006d OCLC Number: (OCoLC)76787516 Subject: Civil service -- Pensions. Excerpt: . . . 11 and investment earnings; flexible plan designs that accommodate the objectives of relevant stakeholders; voluntary defined contribu-tion plans that supplement defined benefit plans; exemption from most Federal regulation, allowing cities and states to design, ad-minister and finance retirement benefits in concert with the unique needs of each pension plan sponsor and within the framework of each states constitution, statutes, case law and political culture; and finally, state protections of pension benefits, many of which predate and exceed Federal regulations of pension benefits among private employers. Sixteen million Americans, more than 10 percent of the nations workforce, are employed by a state or local government. These are public school teachers, administrators and support personnel, fire-fighters, public health officials, correctional officers, judges, police officers, child protective service agents and myriad other profes-sionals responsible for performing a broad array of essential public services. Ninety percent of these workers have a defined benefit plan or traditional pension as their primary retirement benefit, a figure that stands in increasing contrast to the diminishing portion of the nations private sector workforce with access to a traditional pension. This pension coverage makes a significant and cost-effec-tive contribution to the retirement security of not only these public employees, but also to the Nation as a whole. Pension plans for the vast majority of state and local government employees are in reasonably good condition. Based on the latest available data, pubic pensions have approximately 2. 8 trillion in assets to fund more than 86 percent of the next 30 years of pension liabilities they have incurred. Based on my own projections, this figure will begin rising again...
