BODY TALK: THE BODY LANGUAGE SKILLS TO DECODE THE OPPOSITE SEX, DETECT LIES, AND READ ANYONE LIKE A BOOK (PAPERBACK)

Createspace, United States, 2014. Paperback. Book Condition: New. 214 x 149 mm. Language: English . Brand New Book ***** Print on Demand *****.Do you wish you knew you were being lied to, or if that cute member of the attractive sex liked you? What about being able to read anyone's emotions without them saying a single word? Then learning to listen to BODY TALK is an essential skill that you need right now! Studies have shown time and time again that the majority of communication we send out to other people, whether intentionally or not, is non-verbal and doesn't depend on the words we speak. If you're not up to par in how to interpret everyday body language signals, that means you're missing a majority of the communications that come your way. And if you aren't aware of your own body language, then think of how you must come off to others - probably not even close to what you want! If you've ever heard someone tell you Oh, that's not what I thought you meant, you need this book! BODY TALK is a journey into exactly how you can read anyone based on almost any movement of any part of their body. And who better than a dating and social skills coach to teach you, someone whose very livelihood depends on navigating constant ambiguous yellow lights! I've made it my business to study human interaction, and have broken down specific body parts as well as signs of attraction and lying. Let's face it, sometimes those two are the same! This is not just a generic book that just tells you that someone is lying if they are avoiding eye contact - hint: that isn't even accurate! There's...
