Mitchell Lane Publishers, United States, 2015. Hardback. Book Condition: New. 236 x 163 mm. Language: English . Brand New Book. Yo-ho-ho! Join our terror on the high seas as stories of famous pirates from around the world are retold in this fast-moving series for kids in grades 3 through 6; each book includes an analysis page in each chapter that helps the kids understand what is real and what might have been fictionalized over time; Each book provides a concluding chapter that recounts for the kids whether the pirate is more legend or mostly truth. The story of Blackbeard is undeniably a thrilling one that is best classified as a mystery. But one might also call many parts of it a fantasy. We know, of course, that Edward Teach--or Edward Thatch--was a real person. But much of what we think we know about his alter ego, Blackbeard, is almost certainly fiction. Could a headless body actually swim around a ship three times? Science tells us this is preposterous. But many gray areas exist between the simple fact that Blackbeard was an actual person and the absurd idea that he was superhuman. Was he indeed a murderer or just very good at making people think that he was a merciless killer? At least some reputable sources are convinced that he wasn't just acting ruthlessly. National Geographic calls Blackbeard "the worst and perhaps the cruelest pirate of them all." This book correlates well to common core standards that ask students to read stories and literature, as well as more complex texts that provide facts and background knowledge in areas such as science and social studies. Students will be challenged and asked questions that push them to refer back to what they've read. This stresses critical-thinking, problem-solving, and analytical skills that...
