What is society to do when the diamonds of the first water are caught in compromising situations, one after the other? Can the young ladies survive the season with their reputations intact.or will the scandalous whispers surrounding them bring about the ultimate ruination? When Lady Elena Morrow, the reigning belle of the ton, suddenly disappears, her family is desperate to find her--and to keep the story from spreading through London society like wildfire, before her reputation is ruined. Unfortunately, it may be impossible to avoid a scandal. Viscount Andrews, better known as the Raven, London s most notorious rake, has gone missing at exactly the same moment. Benjamin Wallace, Lord Heathton, is more accustomed to untangling political difficulties, rather than those of the heart. But when he is pressured to help find Lady Elena, he can t refuse--the distraught father is also his wife s uncle. Now he must find the beautiful debutante before the connection to Andrews does away with her innocence--assuming the vulnerable young lady wants to be found.
