

Healing the Addictive Personality: Freeing Yourself from Addictive Patterns and Relationships (Paperback)

Filesize: 7.01 MB

Reviews

I actually started out looking at this publication. It normally is not going to cost too much. I am just happy to let you know that this is basically the finest publication i have got read through within my very own life and may be he very best publication for possibly.

(Karelle Rippin)

HEALING THE ADDICTIVE PERSONALITY: FREEING YOURSELF FROM ADDICTIVE PATTERNS AND RELATIONSHIPS (PAPERBACK)

CELESTIAL ARTS, United States, 2008. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book. Since 1991, Dr. Lee Jampolsky s self-help classic Healing the Addictive Mind has given well over 100,000 people around the world the tools to create significant change in their lives. Now he continues his proven and trustworthy blend of practical and positive psychology with HEALING THE ADDICTIVE PERSONALITY. Dr. Jampolsky s straightforward approach, based on firsthand experience, presents ways of healing addictive thinking, behavior, and destructive relationship patterns with forgiveness, compassion, and the potential for limitless opportunity through an eleven-week action plan.A personal note from the author: Many people live in a self-imposed prison and don t even know it. I did. For years I was so busy building walls I did not see that I was imprisoning myself behind them. My addictive thinking and behavior became the bars of my cell. I denied feeling empty inside and instead looked for new things to acquire, substances to take, and goals to achieve in order to feel better about myself. Sometimes I felt momentarily free, powerful, and whole, but in the end my addictive cycle only compounded my loneliness and despair. If you recognize this pattern in yourself, this book is addressed to you. Today, I am able to tell you I now know what true freedom and happiness are and I offer the path that I intend to follow every day of my life. Reviews: This 178 page book is a miraculous Godsend because it goes deep to expose the profile of the addictive personality, and then broadens from there to show us how to recognize the characteristics of the addictive personality and understand why it develops in the first place. The layout of this awesome teacher helped me to see...
