Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The defeat of ZANU-PF in the 2008 parliamentary election marked the end of one-party rule in Zimbabwe. The Global Political Agreement signed later that resulted in a Government of National Unity, and the former ruling party was, for the first time, faced with the reality of sharing power. The Hard Road to Reform presents a penetrating analysis of developments since the GNU was established, reviewing recent political history from a range of perspectives - political, economic, social and historical, and featuring the best work of Zimbabwe s young scholars. As Brian Raftopolos writes in his introduction: the book is an attempt to analyse and assess both the hopes and frustrations of the last four years and to confront the harsh challenges that lie ahead.
