Sideheads are placed throughout the margins of the book to help locate passages of interest, while the glossary or "Cast of Concepts & Characters" defines technical terms and offers brief overviews of the philosophers and theories that come up during the conversation. For the specialist or interested student the Appendix includes a formal essay, co-authored with David K. ALTERNATIVE (NOT on the actual book jacket) Sentience and Sensibility is a lively and thought-provoking fictional conversation between an immigration officer named Harriet Taylor and an immigrating philosopher named Manual...
