Reviews

This composed ebook is wonderful. It really is written in basic words rather than hard to understand. You may like the way the writer composed this pdf.

The most learner-centered and assessment-driven approach to psychology Throughout their number-one-selling Introductory Psychology franchise, authors Sandra Ciccarelli and J. Noland White employ a learner-centered, assessment-driven approach that maximizes student engagement, and helps educators keep students on track. Now in its third edition, Psychology: An Exploration draws students into the discipline by showing how psychology relates to their own lives. Clear learning objectives, based on the recommended APA undergraduate learning outcomes, guide students through the material. And assessment tied to these learning objectives lets students check their understanding, while allowing instructors to monitor student progress and intervene when necessary to bolster student performance. Personalize learning with MyPsychLab MyPsychLab is an online homework, tutorial, and assessment program designed to work with Psychology: An Exploration to engage students and improve results. Within its structured environment, students practice what they learn, test their understanding, and pursue a personalized study plan that helps them better absorb course material and understand difficult concepts. 0134078799 / 9780134078793 Psychology: An Exploration Plus MyPsychLab with...
